ACTION AGENDA

Approval of Minutes from the February Regular Meeting

- **Motion to approve:** Davis **Second:** Schlais
  - **Motion Passed:** 7-0

DISCUSSION AGENDA

The Commission heard updates on projects under the 2024 Parks and Open Space Action Plan. They also discussed updates to the Frederick Skate Park lighting system, which will be upgraded in late 2024 or early 2025. We briefly discussed 2024 Events with additional information and participation opportunities to be discussed at the May Regular Meeting.

Commissioner Davis updated the group on a potential for Bella Rosa Golf Course to become Autobahn certified. Staff agreed that this is a goal that the Team should strive for, but that the actual registration and membership should wait until at least 2025 to allow maintenance staff to focus on immediate needs and 2024 capital improvements already scheduled.
